

PROFESSIONAL DEVELOPMENT OPPORTUNITIES

WHAT: One- or two-day Professional Development Workshops focusing on experiential teaching methods and science content (physical & earth science, engineering, astronomy)

WHO: You! Your school/district simply needs to find at least 10 interested teachers/administrators who would like to attend

WHEN: Whenever you want! We will work with your school/district to schedule a workshop for a date that meets your needs! Weekdays and weekends are both available

WHERE: AstroCamp Virginia, located at:
8144 Mount Laurel Rd Clover, VA 24534

COST: \$75/person for one day, \$125/person for two days (*housing and meals included*)

If interested contact Britt McGee, Educational Programming Coordinator,
at (434) 454-4059 or britt@astrocampva.org
